

### **PITM Capstone Exercise Part III**

#### **Prepare for your interviews**

1. Interview Anand
  - a. Review your results from the interview
2. Prep your interview of Cory
  - a. Consider everything you've learned
  - b. What interview technique will you use?
  - c. What are some of the topics you wish to address?

Pick two interviewers from your team. Prepare the two members for Cory's interview.
