

PITM Capstone Exercise Part II

You have now received some artifacts regarding Cory's activity from the security team. Attached are those reports.

- 1) Phone SMS records
- 2) Travel voucher receipts from Cory's August trip to Germany

What are your observations from these artifacts?

Do they match up with the original assessment of the Security reviewers?

Who would you like to interview (if anyone) from these reports?

What type of interview would you conduct now of Cory if you had to interview him at this time? (Clarifying, informational, soft, hard) Explain your answer.
